If Line 1 is greater than Line 2 you were ineligible for government-subsidized health insurance in 2022 and must check No and go to the worksheet for Line 12.

If Line 1 is less than or equal to Line 2 and at any point during the period when you were uninsured: you were not a citizen or a non-citizen legally residing in the U.S., or an employer offered an individual plan that cost less than 9.78% of your household income and met minimum value standards, or you applied for MassHealth or subsidized coverage through the Health Connector and were denied because you were ineligible for services, you are deemed ineliigble for government-subsidized health insurance in 2022. Check No in Line 11 of Schedule HC, and go to the worksheet for Line 12 to determine if you were able to afford private health insurance.

If Line 1 is less than or equal to Line 2 and none of the above conditions apply you would have been deemed eligible for government-subsidized health insurance in 2022 which you did not obtain and are subject to a penalty. Check Yes in Line 11 of Schedule HC and go to the Health Care Penalty Worksheet.

Note: If you believe that, during the period when you were uninsured, your income was actually too high to qualify for government-subsidized insurance, you may have grounds to appeal the penalty.
